

SenSwap Devnet Rewards

The team is extremely grateful and humbled by the incredible amount of faith placed in us by the community. In just four weeks, our Devnet attracted 1.300 participants. The primary objective of this campaign is to serve as the first major step in putting SenSwap's future into the hands of our community members.

Alongside other participants who joined the Devnet but have not received the reward in this campaign. Don't be upset, we'll have a lot of campaigns coming up and we will definitely remember you as the first contributors and accompany us in the early stages.

Here is a list of winners. Each wallet will receive 200 SEN:

We will notify when the reward is transferred to the winner's wallets (expected to be after IDO implementation). IDO implementation time will be announced later.
There will be plenty of opportunities to earn \$SEN in the future. Stay tuned!
